Centro and its Board of Directors are committed to a policy of equal employment opportunity for all individuals and will make every effort to provide equal employment opportunity without regard to race, color, religion, sex, national origin, age, mental or physical disability, veteran status or any other classification protected by federal, state, or local law. Equal employment opportunity applies to all personnel practices, including recruitment, hiring, training, promotion, termination, leaves of absences, compensation, discipline, evaluation, benefits, transfers, and social and recreational activities.

Our goal is to establish and maintain a work environment free from discrimination, coercion, and harassment. While Centro will not hire or promote any person not qualified for a job, we wish for Centro to be known as welcoming women, minority, disabled and veteran applicants at all job levels and encourages their hire and promotion.

Any discrimination in the workplace based on membership in any protected classification is illegal and violates Centro policy. If you feel you have been the subject of discrimination or if you are aware of any violation of this policy, report it to the Human Resources Director. Any infraction of this policy is a serious violation and will result in disciplinary action, up to and including termination.
